

Tadao Technologies PSP / Millennium Update

For the 2009 PSP, CFOA and Millennium season the maximum rate of fire cap has been lowered. To compensate, Tadao Technologies has updated the maximum rate of fire setting across almost all Musashi based products. The new setting values are:

Setting	BPS	Setting	BPS	Setting	BPS
1	10.0	9	14.0	17	20.0
2 (default)	10.5	10	14.5	18	21.0
3	11.0	11	15.0	19	22.0
4	11.5	12	15.5	20	23.0
5	12.0	13	16.0	21	24.0
6	12.5	14	17.0	22	Unlimited eyes on
7	13.0	15	18.0		25 bps eyes off
8	13.5	16	19.0
